

360° Reflector Prism

AYmini 360° Prism set

- Seven 12.7mm mini prisms in a 360° configuration.
- +2mm offset and 40' adjustable vial.
- the prism can slide on 9mm steel pin poles.

AY360° Prism set

- Seven 25.4mm prisms in a 360° configuration.
- +2mm offset, 5/8" thread at bottom.

CRZ101 Mini 360° Prism set

- 360° mini prism assembly consist of six mini prisms bounded together.
- Prism constant is +30mm.
- The prism can be mounted on pin poles with vial.

CRZ4 360° Prism set

- 360° prism assembly consist of six prisms bounded together.
- Prism constant is +23.1mm.
- Quick release push button connection.

CTP-1S Mini 360° Prism set

- Offset -7mm.
- 360-degree configuration.
- Six precision-ground corner cubes.

CTP1 360° Prism set

- 360° prism assembly consist of six prisms bounded together.
- Prism constant is -7mm.
- 5/8" thread at top and bottom.

CRZ122 360° Prism set

- 360° prism assembly consist of six prisms bounded together.
- Prism constant is +23.1mm.
- 5/8" thread on top can install antenna.
- Quick release push button connection.
